

ENROLMENT IN CATHOLIC SCHOOLS DURING COVID-19

Enrolment Process for 2021

Due to the COVID-19 Pandemic schools are advised to provide virtual school tours.

In Term 2 we provided a Photo Tour of St Pius X Learning Environment provide a snapshot of our school building and green spaces. (Apologies our classrooms are not set up for onsite learning and our Senior Building is under redevelopment- 4 new classrooms are being built with access to green learning spaces and will be ready for use in Term 3 2020)

Our philosophy to learning is a holistic community approach, in partnership with families, we embrace the heart, mind and spirit of every child. The learning occurs both indoor and in outdoor spaces as we endeavor to nurture health, wellbeing, learning and development for all in our midst.

If you have extended family and friends who have school age children encourage them to enrol as well to avoid missing a placement for 2021.

St Pius X Primary School is a community school providing an inclusive environment of all cultures, nationalities, religions and beliefs.

We are also accepting enrolments for 2022 & 2023 as many new families continue to move to the area.

If families have any questions I am more than happy to answer via email and then follow up with phone conversations if required. Email: principal@spxhw.catholic.edu.au
